

Monday Departure Procedures

ALL

Please ensure all garbage from your cabin or room is placed in a garbage bag and tied. If a broom is available, please sweep up.

Bedding Rental and Towels

A: If you have rented linens from camp, sort them (blankets, sheets, pillows, etc.) and place them on the picnic tables in the middle of your housing area. They belong to the camp and must be returned. If it's raining on Monday morning, we will inform you of an alternative location to put them.

B: If you received towels from Mosaic, feel free to keep them, as they were purchased. If you do not wish to keep them, place them in the plastic bag they came in and bring them to the Mosaic office.

Load-Out

Cars can enter the main camp area to pick up luggage **BEFORE** 7:30 a.m. and **AFTER** 9:30 a.m. to accommodate safety for all going to breakfast and airport vans. If you need to leave during those times, you'll have to carry your luggage to your vehicle.
